

VOL. 11, NO. 44

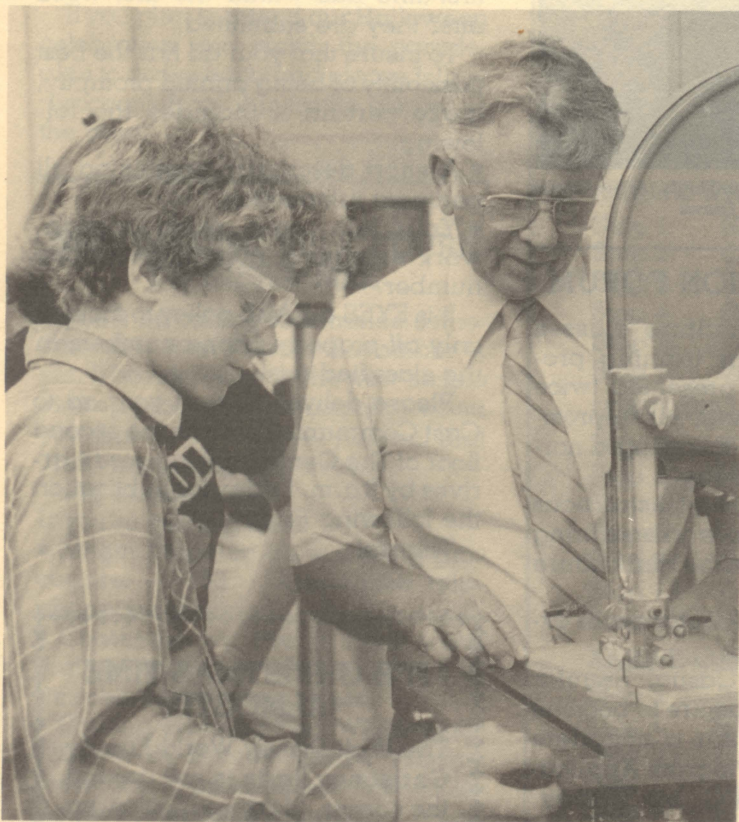

"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

OCTOBER 30, 1981

OUR RESPONSIBILITY TO THE COMMUNITY: JUNIOR ACHIEVEMENT

Walt Disney once said, "A child is helpless in choosing what is to be engraven on his mind during the formative years. The awesome responsibility is assumed ... by us adults. Today we are shapers of the world of tomorrow. That is the plain truth. There is no way we can duck the responsibility; and there is no reason ... why we should."

With this responsibility in mind, Walt Disney World Co. has made special efforts to guide the future adults of our community, and one way we do this is through **Junior Achievement**.

The 1982 Walt Disney World Ambassador will be named today at 11 a.m. See page 2 for details.

The J.A. Program is designed for high school students interested in learning about business and the free enterprise system. Groups of these students band together, create a company and a product, and, as a company they work toward learning the many aspects of running a business through actual business experiences.

To help the students in their endeavors, our cast members actively participate in the J.A. Advisor Program. These advisors assist the students in the creation, production, financial, sales, and promotional aspects of their company. This year, 15 cast member advisors are guiding three companies of students from Orange and Osceola counties.

Junior Achievement is the nation's oldest program of student development in business. By cultivating a better understanding of the American economic system, we are helping to prepare future employees, voters, and citizens to climb the ladder of success.

Our J.A. companies and their advisors that we are sponsoring this year are:

- **Libre Enterprises** meets on Monday nights at the J.A. Center in Loch Haven Park. Their advisors are **Mary Ellen Kerber**, Walt Disney World Village, **Larry Kline**, Resorts, **Vicki Moody**, Resorts, **Mary Ott**, Disney University, **Dick Roehn**, Walt Disney World Village, and **Matt Thursam**, Purchasing.
- **Ultimate Productions** meets on Wednesday evenings, also at the J.A. Center. Their advisors are **Jeff Albertson**, **Charlene Freeman**, **Harry Hamblen**, **Mike Myers**, and **Debbie Zutter**, all of Merchandise.
- **Creative Images** meets at Osceola High School on Monday nights, and their advisors are **Darrell Colegrove**, Furnishings, **Dick Dayer**, Cental Shops, **Bob Harpur**, Central Shops, and **Roger Nickel**, Audio.

During the past week, each president of the three companies received a charter to operate his or her business. Watch **EYES & EARS** for more pictures of the advisors and more details of their student's companies.

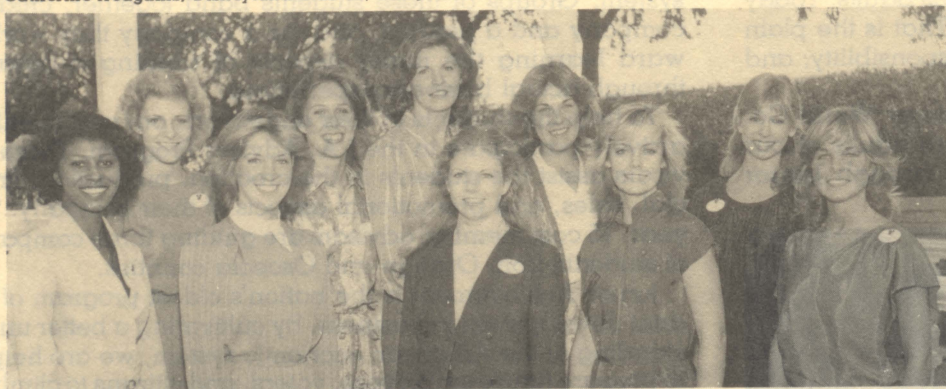

Preview Boulevard will be closed tomorrow from 4:30 to 6 p.m. for the Halloween parade. See page 3 for more information.

HORTICULTURE DIVISION CAREER INFORMATION FORUM

The Career Planning and Placement Office will present a career information forum about the Horticulture Division and its **Gardener/Pest Control Operator Trainee program on Thursday, November 5, from 5 to 7 p.m.** at the Stage Door Cafe in the Center Building.

Participants in the forum will gain in-depth information regarding the organization, functions, career opportunities, and job requirements of the Horticulture Division, including its trainee programs. Ample time for a question and answer session will be provided during the forum.

For those who will be unable to attend the forum, responsibilities of and prerequisites for these trainee positions include the following:

- A willingness to attend formal,

college-level horticulture classes during the one-year training program. Classes are presented twice weekly in the evening, for approximately three hours, following a normal eight-hour workday.

- A willingness to accept instructions from teachers and co-workers during on-the-job training in the Horticulture Division.

- The ability to work outdoors in extreme heat and cold.

CLASSIFIED INFORMATION

"Why didn't my ad get printed in the **EYES & EARS?**" is a very common question we hear in the Cast Communications office. Well, don't blame it **all** on the new editor. The problem could be one of several things.

First of all, we have space for 65 classified ads on the back page of the paper. During the past month, we have received over 100 ads each week. So it could be a combination of too many ads to fit into a limited amount of space. Please bear with us in the few months left before Christmas. Lots of you have things to sell between now and then, and we'll do our best to accommodate as many ads as we can. If your ad isn't published after the first week that you submitted it, we'll give it priority in the following week's issue.

Also, we receive many requests to run an ad for several weeks at a time. This is fine when space is available. But when there isn't space, we have to hold the reruns until the space does become available. At that time, we will print reruns on a first-come-first-served basis. Hopefully this change will allow space to print all first-time ads within the first week after they are submitted.

To insure that your ad has the best possibility of being printed promptly, make certain it includes the following:

- A short description containing all pertinent information.
- Your full name, work location, work extension and home phone number.

It is **EYES & EARS** policy to include only off-property phone numbers in the classified ads.

Please deliver or mail your ad to Cast Communications on the second floor of The Center making sure it arrives by 8 a.m. Friday for publication the following Friday.

Thanks!

IT'S CHRISTMAS TIME (ALMOST!)

The Walt Disney World Family Christmas Party is just around the corner. Mark your calendar for either Friday, **December 4**, or Friday, **December 11**, to attend THE party of the holiday season.

SPECIAL ANNOUNCEMENT

PREVIEW BOULEVARD CLOSED DURING VILLAGE HALLOWEEN

The Annual Walt Disney World Village Halloween Parade will march down Preview Boulevard at 5:30 p.m. tomorrow with all the scary witches and ghosts, not to mention clowns and werewolves that you could possibly imagine.

To allow these costumed creatures to have such fun, access to Preview Boulevard, between SR 535 and the Village entrance, will be **restricted from 4:30 to 6 p.m.** All traffic except Village employees, buses, taxis, and emergency vehicles will be rerouted during this time. **The Boulevard will be completely closed from 5:20 to 5:50 p.m.**

If you are coming to work or going home at that time, please avoid the Walt Disney World Village area if possible and anticipate heavy traffic at the entrance from SR 535.

If you plan to attend our Halloween celebration and watch the parade, plan to arrive early and please follow directions from our traffic control in the area.

NEW DIALING PROCEDURE TO KISSIMMEE

If you'll be calling Kissimmee sometime after next Friday, November 6, you'll be interested in the new tie line dialing procedures. Basically, when you dialed "63" before, you will dial "163" beginning next Friday.

For example:

If you're calling from:

- Magic Kingdom (new dialing procedure) — 163 + Kissimmee telephone number.
- Contemporary Resort Hotel (new dialing procedure) — 68 + 163 + Kissimmee telephone number.
- Casting Building/Fort Wilderness/PICO/Walt Disney World Village (new dialing procedure) — 163 + Kissimmee telephone number.
- Epcot Center (new dialing procedure) — 8 + 163 + Kissimmee telephone number.

According to the folks at Vista United Telecommunications, this

change will provide additional directory numbers and will ensure four digit dialing for the Walt Disney World Administration offices.

If you have any questions or need help with the new dialing procedure, please call the Vista United Customer Service office at 828-9000. A service representative will be happy to assist you.

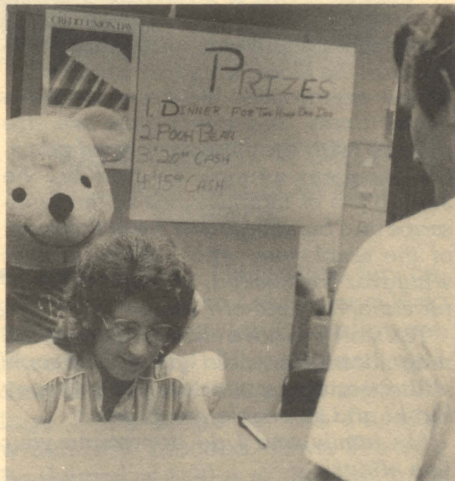

CREDIT UNION'S BASH A SMASH

Over 500 cast members registered for door prizes at the Credit Union's Open House earlier this month and the winners are:

- First Prize of tickets to Pioneer Hall — **Nancy Claerbout** — Contemporary
- Second Prize of a Winnie the Pooh stuffed animal — **Gayle Mazur** — Entertainment

Continued column 3

- Third Prize of \$20 in cash — **Dale Sluss** — Transportation Maintenance

Joyce Hall helps a fellow cast member with his Credit Union account as Winnie the Pooh looks over her shoulder. The stuffed "Pooh" was one of the prizes that was given away during the Credit Union's celebration.

LETTERS TO US

I would like to say thank you to all the many **fine people** who help make a vacation to the Magic Kingdom a truly wonderful experience. We have visited a dozen times and every time we are pleased with the fine accommodations, the excellent dining, the beauty, the superb job of maintenance of the landscape and buildings, and the enthusiasm of the employees who helped us with whatever we needed, whether it be information or sizes of T-shirts!

The staff you have chosen are a grand, magnificent, splendid group of people with beautiful attitudes. Walt Disney World and its people are **super**.

My family and I do appreciate your fine efforts!

Sincerely,
Jean Trilla
Hinsdale, Illinois

I would like to take this opportunity to say how much we have enjoyed our stay at Walt Disney World, particularly because of the everlasting courtesy of the employees. It has a definite effect on the atmosphere and attitude of your guests. In all our visits we have seen nothing but perfection, which is not always easy when dealing with so many people. Your employees deserve the utmost credit.

Thank you!
Mrs. David Hall
Chelmsford, Massachusetts

I would like to congratulate your fine organization, not only for your superb attractions, but for your care of the handicapped people who visit you. I am on crutches, but the thoughts of going through your whole complex concerned me, so I rented a wheelchair from you for \$1 per day. This was good news to start, since most handicapped people are on low budgets.

I went into and on 14 different attractions and was never treated better in my life. The attendants stopped some rides for me to enter. They took my chair around to the exit so it would be waiting. They took me in the exits to avoid long lines or corrals. They even put the chair in the back seat of one ride.

In short, my whole experience at Walt Disney World was outstanding. You can be sure I will tell all the people I come in contact with of my treatment — not just the handicapped.

Thank you for your care and consideration.

Sincerely yours,
Dr. James I. Bardsley, Jr.

CAST ACTIVITIES

NEWS

EVIL LURKS AT LITTLE LAKE BRYAN TONIGHT

Witches are flying overhead and ghosts are haunting Little Lake Bryan in honor of Cast Activities **Halloween Party tonight from 7 to 9:30 p.m.** All cast members should plan on bringing their little goblins to the Lake for an evening of fun and thrills. There will be cartoons, a scary movie, and special treats for everyone. If you dare, the Haunted House awaits you. Even the Wicked Witch will leave her gurgling brew on the fire to make a special appearance to look over all the potential stew ingredients, I mean, little boys and girls. Make sure to wear a costume so the Witch won't recognize you. Besides there will be costume judging for all ages, With lots of ribbons for the winners.

So, all you brave cast members, bring your families to Cast Activities only Halloween Party of the year at Little Lake Bryan. Come in costume, not as you are!

WHICH WITCH TWITCHES?

It's that time of year again when all the spooks come out. They'll invade your neighborhood on Saturday night, October 31. Halloween is back again.

The night will be filled with all kinds of "unearthly critters" — and the air will resound to their weird cry of "trick-or-treat." These suggestions may prevent those twitches which occur when some black-clad witch runs every which-a-way.

- Drive slowly through the neighborhood streets. You never know what may dash into your path. Beware!
- Make sure both headlights work! Don't be bugged by unseen monsters.
- Obey all traffic signs and road signs. When the ghosts run up, don't run them down!
- Be careful starting up at intersections. Goblins don't pay attention.
- Back out of driveways slowly. You may break something before you brake.

"And here's a must," says **Rob Brohn, Manager of Loss Prevention**, "Don't let those 'critters' out on their own. See that they're properly escorted."

Some words of advice:

- See that they cross the streets at corners, never between cars and never diagonally across intersections.
- Look in all directions before crossing the street.
- Watch for and obey traffic signals.
- Walk, don't run.
- Use sidewalks, not streets, for walking.
- Wait on the curb, not in the street, until it is clear to cross.
- Watch out for cars backing out of driveways.

WALT DISNEY WORLD VILLAGE HALLOWEEN PARADE

At 6:30, a special Halloween showing of "Phantoms of the Village" followed by "The Legend of Sleepy Hollow" take place at the Village Dock Stage. The first film will be shown again at 8 p.m. All these events are **free** and interested cast members are invited to bring their families. Come and enjoy; there's plenty of time for trick-or-treating afterward!
